By signing or submitting this cover sheet you declare:

- That your work has been done with the assignment specification and grade indicators in mind

- That it is your own work and has not been submitted in substantially the same form towards the award of a degree or other qualification, that it has not been written or composed by any other person, and that all sources have been appropriately referenced and acknowledged.
- That all sentences or passages quoted in this paper from other people's work (with or without trivial changes) have been placed within quotation marks, and are specifically acknowledged by reference to author, work and page.
- I understand that plagiarism – the unacknowledged use of such passages will be considered grounds for failure in this paper or assignment, and, if serious, in the qualification as a whole.

In the case of electronically submitted work, I also consent to this work being stored electronically and copied for assessment purposes. This includes the department's use of plagiarism detection systems in order to check the integrity of assessed work.
